SHORE

**GREEN IS THE SPRINGTIME
WHITE IS THE SNOWY SHORE!**

DEDICATION

We, the Senior Class, realize how greatly the world conflict affects the lives of the present and future citizens of the United States. Because we do realize this fact, we wish to dedicate this annual to the Shore Alumni who have sacrificed so much to enter their country's service to preserve, among many other heritages, the privilege of educating oneself in preparation for a successful life for oneself and posterity.

FORWARD

We, the Annual Staff of 1943, have endeavored to make a permanent record of this school year that will recall fond memories to entertain all and to keep this year a never-to-be-forgotten tribute to the friendships made in Shore school.

OUR — FACULTY

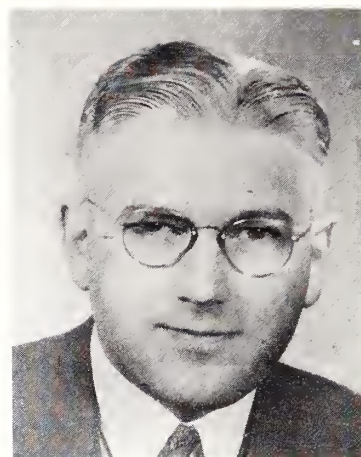

RUSSELL H. ERWINE

Mr. Erwine has served as superintendent of the Euclid schools for four years. He was connected with various Ohio school systems for many years before coming to Euclid.

His continuous interest in the improvement and advancement of the Euclid schools has helped to keep Shore in the foreground in all academic and extra-curricular activities.

LEONARD E. LOOS

Dr. Loos, who has guided us in the past year as principal of Shore, is to be commended for his fine work. He works constantly to improve Shore.

Dr. Loos will be long remembered and thanked by the many students who have benefited by the new courses he has succeeded in bringing to Shore.

The entire faculty has done its utmost this year, as in all years, to train the students to take their positions in the world competently and to help them in aiding the war effort.

In September the Aeronautics class was inaugurated with Mr. Sharrock and Mr. Stubbart taking over. Mr. Pohto's classes showed an increase; many girls began taking Mechanical Drawing and Blueprint Reading. He also had the Technical Math class which met sixth period. The Math students learned to use the slide rule and to apply their math in practical problems. Girls who enrolled in Mr. Case's shop classes found the work both helpful and interesting. The Machine and Motors class and the Code class were in great demand. The instructors were Mr. Whiteside and Mr. Sharrock, respectively.

The importance of good health was not overshadowed by these classes. The Physical Education classes under the guidance of Mr. Swackhamer and Miss Gill were very war-minded. Mr. Swackhamer realized that corrective and improvement exercises were needed by the boys, especially those who were planning on entering the Armed Forces. Miss Gill's program ran along the same lines except that the work was less strenuous.

Last, but not least, we would like to remember those members of the faculty who coach our athletic teams. They devote many hours of their time to this work that they enjoy so much. They not only produce good teams but they produce good men. For the rules of fair play that athletes learn, are invariably carried with them through life.

ACTIVITIES

SEPT. 8

SCHOOL STARTS

BAND

This year the band made definite strides forward under the excellent directorship of Mr. Dale Harper and his assistant, Mr. Mitchell. During the football season, the marching band could be seen daily, marching up and down the athletic field preparing their really outstanding formations.

MAJORETTES

The Drum Majorettes, under the able leadership of Barbara Wellington, worked hard and added an important touch of color and pep.

SEPT. 10 GORMAN BOOSTER ENROLLS

CHOIR

It was under the leadership of Mr. John Beck. During the three years that Mr. Beck has been at Shore, the chorus has taken decided steps forward and is now an outstanding organization.

ORCHESTRA

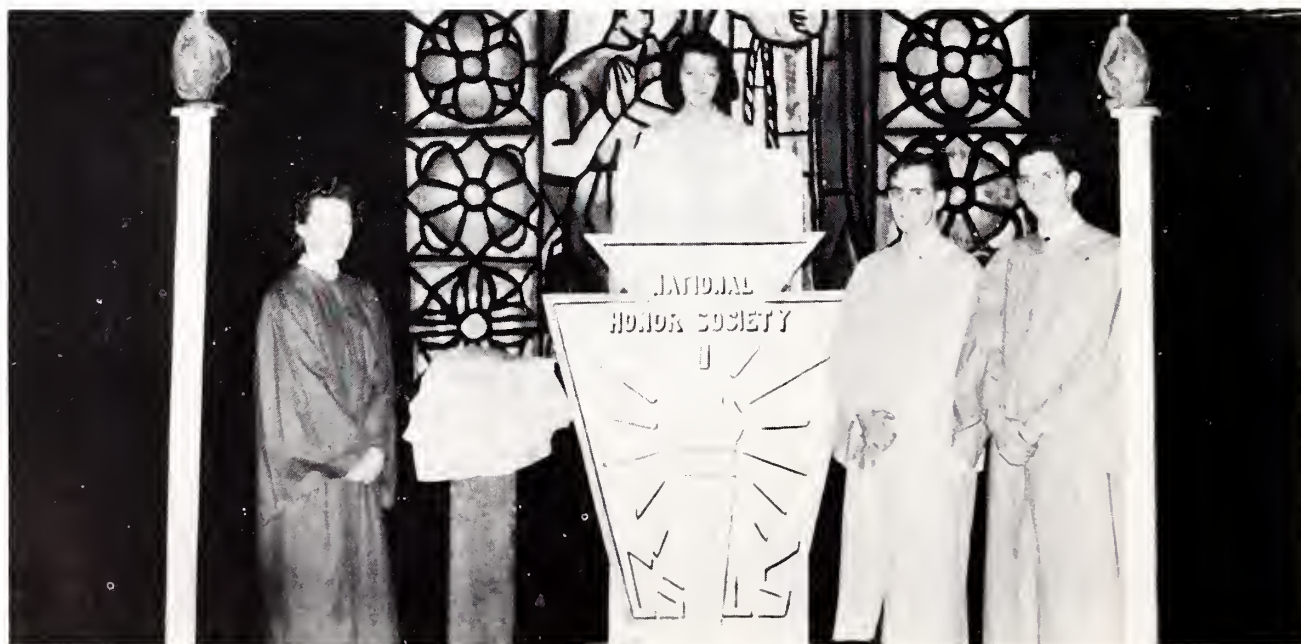

The orchestra this year was an excellent organization in spite of its small size. Mr. Harper is working for the future of this group by encouraging youthful talent. The orchestra made its first public appearance at the mid-year commencement.

SEPT. 25 VICTORY AT GARFIELD 19-7

NATIONAL HONOR SOCIETY

The National Honor Society is a nation-wide organization. Each year students are selected from the Junior and Senior class for membership in this society. These students must be in the upper third of their class scholastically, be leaders not only in their own group but throughout the school, be of good character and of some service to their school and community.

SEPT. 18 WE WIN AT ASHTABULA HARBOR

NATIONAL FORENSIC LEAGUE

The League has a membership limit of 500 chapters and every three years a chapter must submit its application for continued membership.

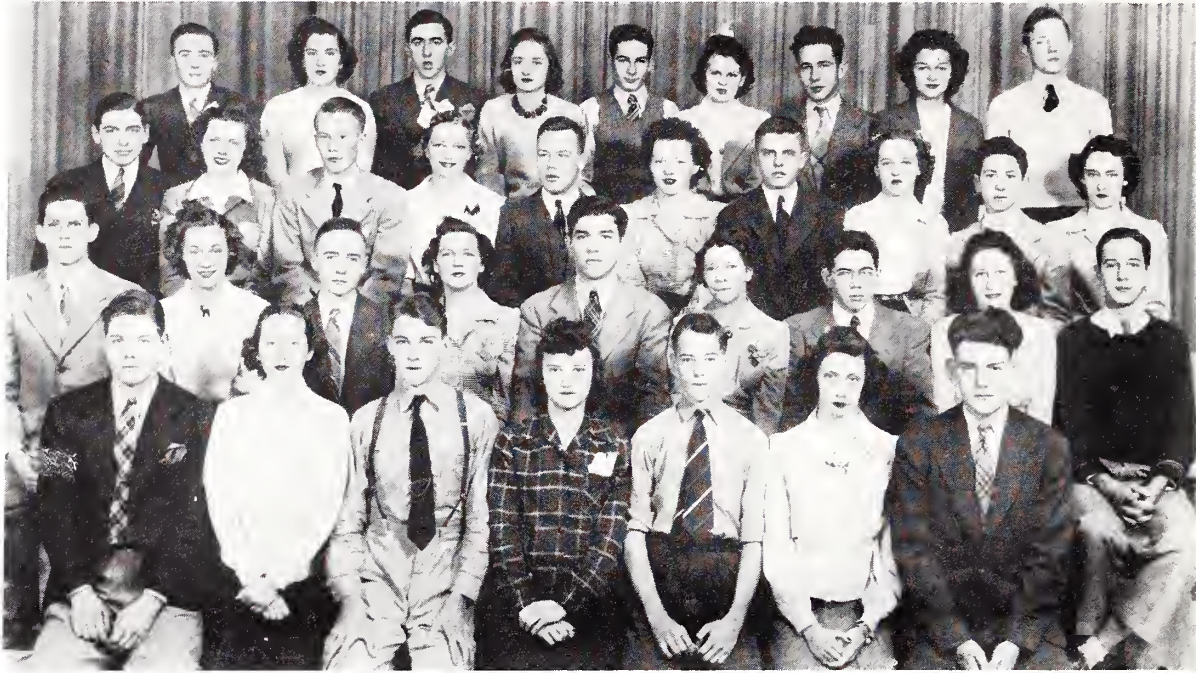

There are four degrees of membership and the points must be obtained in competitive speech contests.

NATIONAL QUILL AND SCROLL

Another honorary society is the Quill and Scroll. This international organization represents the journalism fields. Members of the society are recognized for their effort and ability in doing some sort of journalistic work. Not every journalist can qualify for membership. A student must stand in the upper third of his class scholastically and should also have done some superior work either on the business or editorial staff of the Breeze or Log.

SEPT. 29 HI-Y FORMAL INITIATION

STUDENT COUNCIL

The Student Council has always been known for its willing cooperation in all affairs sponsored by the school. It deserves worthy mention of its hard work and many achievements during the past year.

The success of the annual Community Chest Drive was largely due to the promotion given it by the Student Council. Shore's contribution this year was well over \$700; exceeding last year's goal by \$200.

BOTTOM ROW: D. Pergler, J. Town, R. Haberacker, M. Niebes, E. Schuler, J. Meyers, V. Ritchings, M. Hauser, A. Berthold.

AD COMMITTEE

The most dependable organization in the school is known as the Ad Committee. It is the duty of the committee to promote the sale of tickets to all events sponsored by and taking place within the school. The committee sees that the programs are run smoothly and properly. Committee members are taught how to usher correctly, collect tickets, and sell refreshments. It is also their duty to see that events are widely publicized and that posters for games and other events are placed where they will boost sales. The committee has been greatly aided by the helpful supervision of Mr. Spangler.

OCT. 2 HI-Y FOOTBALL VICTORY DANCE

TOP ROW: R. Gibbons, B. Air, J. Telich, J. Smith, J. Jenkins.

SECOND ROW: C. Duco, E. Winkler, J. Kuebler, J. Metz, M. Haven.

BOTTOM ROW: F. Cook, D. Luikart, E. Middleton, M. Ehrenfeld, A. Chalfant.

ANNUAL EDITORIAL STAFF

The tired expressions on the above faces is due to the hard work and sleepless nights the editorial staff spent on the Annual this year.

The staff consists of artists, editorial writers, copy readers, typists and photographers. Each had an important job to do and has done it to the best of his ability.

The entire staff, and especially the editor, would like to take this opportunity to extend our thanks to Mr. Angene, Mr. Hinch, and Mr. Vaughn for their untiring advice and assistance in helping to make this annual a success.

Not pictured are Jerry Daye and Bob Pierce who have joined our country's armed forces.

The staff hopes that their work will meet with your approval but if not, consult the coming senior class and leave us to rest in peace!

OCT. 9 WE DEFEAT MAPLE HEIGHTS !

BOTTOM ROW: J. Hawks, T. Mazick, P. Hayes, Mr. Farquhar, M. Kazmarek.

ANNUAL BUSINESS STAFF

The Business Staff has been largely responsible for the success of this year's Annual. Besides selling a record number of subscriptions, they took charge of selling ads and conscripting boosters.

This year every member has gone "all out" for the Annual. We feel that we have done our best and we hope that future Business Staff members will follow in our footsteps.

OCT. 16 ADMIRALS TROUNCE LIONS

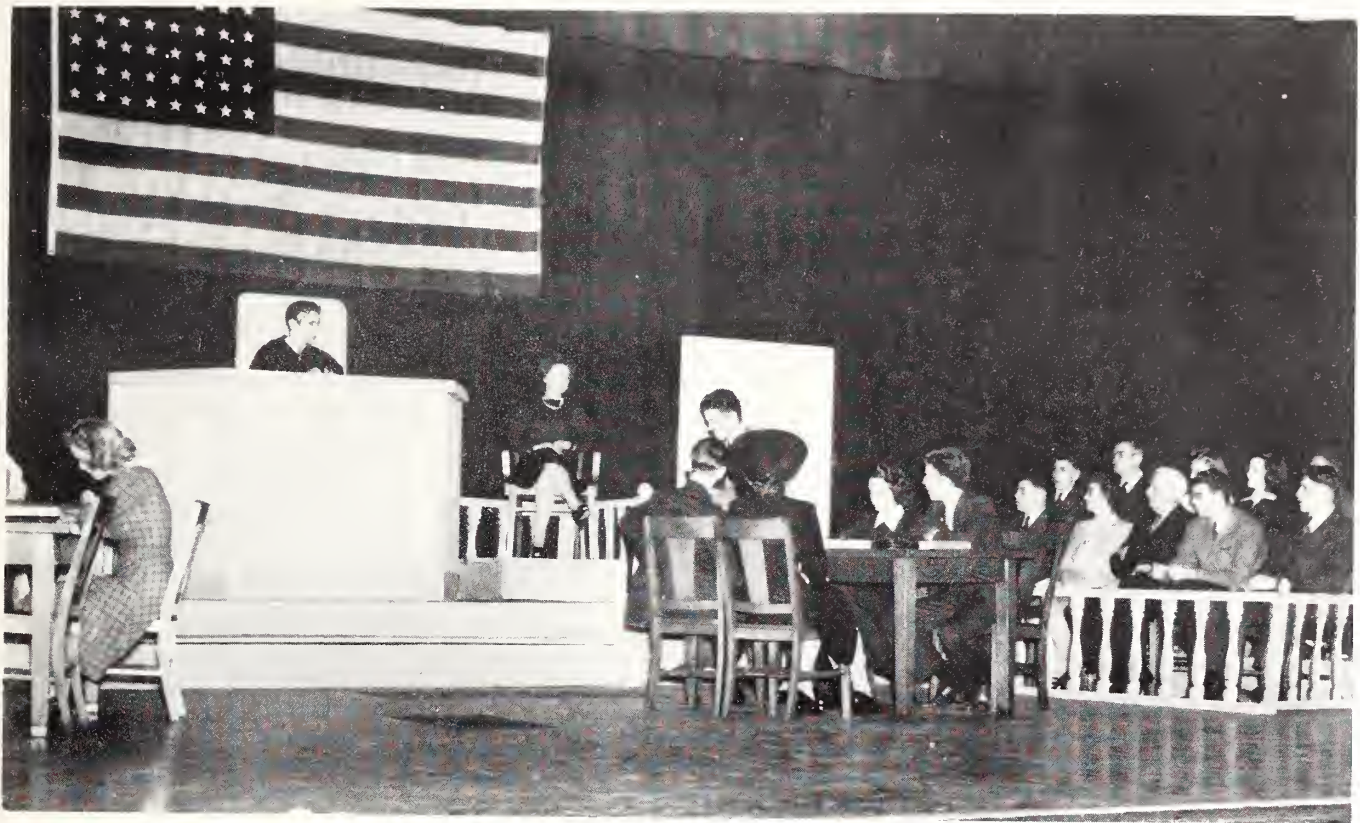

SENIOR PLAY

"George Washington Slept Here" is a story of the tribulations of the Fuller family: Newton, his wife Annabelle, and their daughter Madge, who crave a little place in the country "to call their own." Their troubles may be summed up as a search for water, a quarrel with a neighbor who owns not only the brook but the very road which leads from the highway to the house, the attempted elopement of the daughter with a summer theatre actor, and an invasion of week-end guests including a prodigal uncle who is thought to be rich. In the end it is discovered that the neighbor really doesn't own Newton's road, and that Newton's wife who began by showing disgust at her husband's idiocy in wanting to live in the country decides that he was right all along. The play, given under the direction of Mr. Baumer, was a huge success.

OCT. 13 JILL EDWARDS AT ASSEMBLY

JUNIOR PLAY

The play "Night of January 16th" is an extraordinary court room drama in which the jury is chosen from the audience and must make a decision. There are two short endings, one for a verdict of "guilty" and one for "not guilty". Not even the actors know how it ends until the verdict is given. The play itself is made up of the testimonies of the many witnesses, the defendant and the prosecutor. The jury's decision depended on the way the district attorney, the defense attorney, and the witnesses played their parts. The jury, after a consultation pronounced Karen Andre, the defendant, guilty. The cast, under the direction of Mr. Angene, did an excellent job of portraying the characters.

OCT. 23 BRUSH YIELDS TO SHORE 13-6

SENIOR FRIENDSHIP

To every 10th, 11th, and 12th grade girl a membership in the Friendship club is to be valued. Every girl dedicates herself to the ideals and principles for which the club stands. "To Find and Give the Best" is our motto and each Friendship girl does just that.

The main events of the year are the Christmas and Spring Formals. The Christmas Formal, this year, was a great success due to the cooperation of the Hi-Y boys and Friendship girls. The gymnasium was transformed into a delightful Christmas scene with two large Christmas trees fully decorated and lighted to add to the effect. The couples danced to the lilting refrains of an all-girl orchestra. The Spring Formal was also a success with the gymnasium once more transformed to suit our desires.

Because of the size of the club this year, the Friendship club divided into three main groups, Sophomores, Juniors, and Seniors. The Seniors sold popcorn balls in the main corridors of the school to raise money for the Chinese relief fund while the Sophomores knitted an afghan for the Red Cross. Although the plan of the three divisions of the Friendship group was successful, the club still held their regular meetings on Wednesdays and continued their fine work.

OCT. 28 FRIENDSHIP HALLOWEEN!

JUNIOR FRIENDSHIP

A story of the Friendship club would not be complete without a word or two about Miss Campbell, our sponsor. Miss Campbell has been sponsor of the Friendship girls for many years and she is loved by all the girls.

The Senior Friendship girls will miss those friendly meetings but will carry on in the friendship spirit.

SOPHOMORE FRIENDSHIP

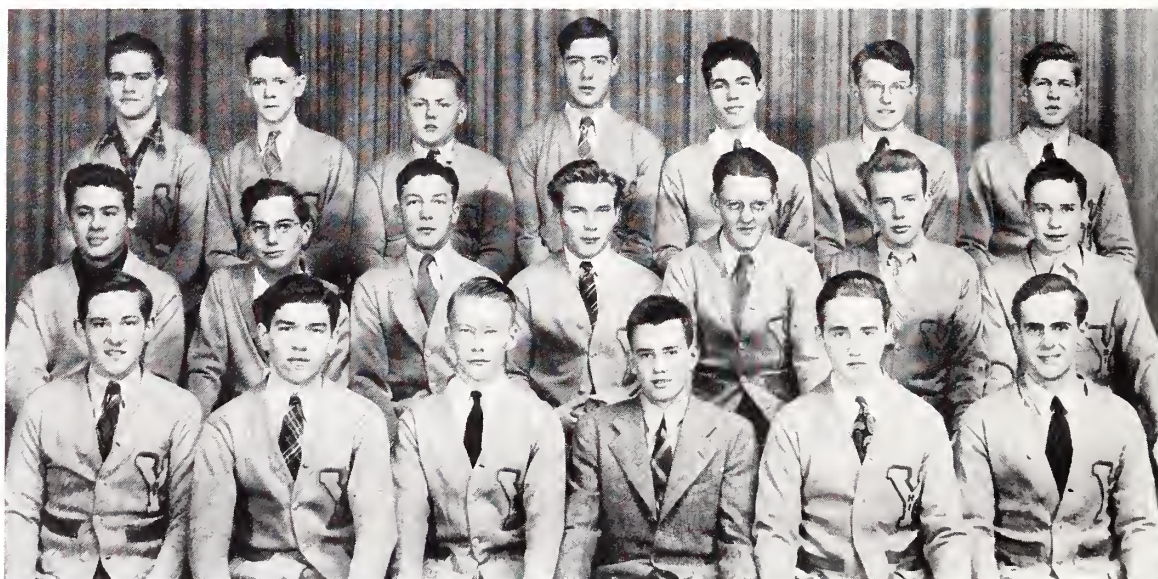

Early in April the Friendship girls, with the Hi-Y boys staged a Carnival in the halls of the school. Fish ponds, dart-throws, and basketball, were just a few of the games enjoyed by all those present. Off in a lonely corner was the fortune teller who knew all, and told all.

OCT. 29 WE TRIUMPH OVER BEDFORD!

HI-Y CHAPTER I

The general all-around activity of the club in swimming, bowling, and school dances was carried on with equal zeal and complimented by a very enlightening address by the Reverend Dr. Mayer on "Race Prejudice".

HI-Y CHAPTER II

This organization has contributed to the life at Shere High School in full measure and the members may be justly proud of the part they have played in the 1942-43 school year.

OCT. 30 SCHOOL DISMISSED

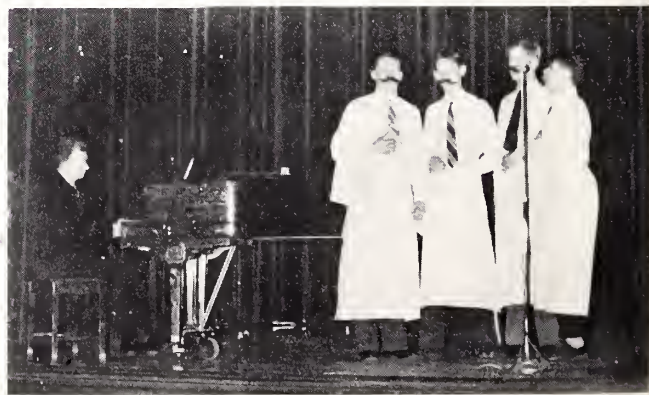

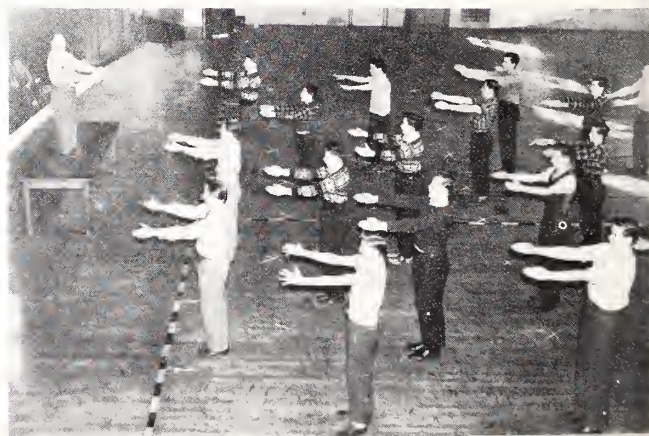

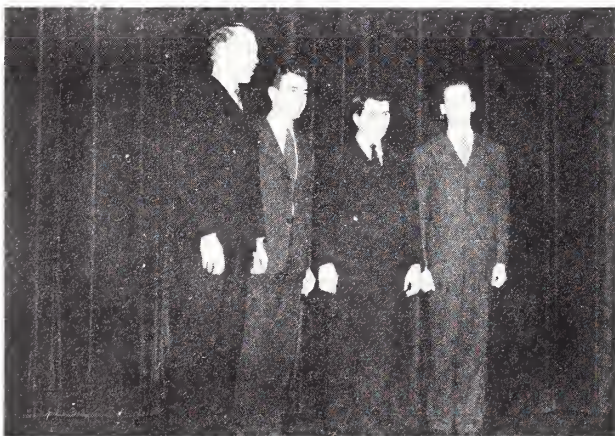

HI-Y CHAPTER III

This organization is the Shore chapter of the Y.M.C.A. and this year it has done a job in keeping with the seriousness of the problems that develop with a nation at war. Each member has pledged himself to purchase at least one war savings stamp a week and has lived up to his pledge. This step, though small, is the first contribution by the members of Shore's Hi-Y who shortly anticipate a more active part in the Allied cause of victory. Keenly aware of the glorious record of former Shore students, the club presented the school with a service man's honor roll on which is inscribed the name of each Shore graduate now in uniform.

The purpose of the Hi-Y is to create and maintain throughout the school and community high standards of Christian living and this year's organization has made an effort to contribute fully to the purpose for which it was founded.

MANAGERS

While the glories of the game go to the players there is still the man behind the scenes who does his bit. Our student managers have done a good job. Without fanfare or trumpets they have plugged along and kept pace with the champions. Our hats are off to Red Ryder and Doug Tercek who got in there and pitched with this year's managers, Walter Hill, Russell Wilk, and John Kerr. The team and school salute you!

WALT SCHWEGLER

This year Mr. Schwegler, Shore's head football coach for the past seven years, won his fifth conference championship and piloted the Admirals to their first undefeated season in the history of the school. As a token of their appreciation for his avid interest and untiring effort in guiding the team, the squad presented "Walt" with a trophy at the end of the year.

Mr. Schwegler hails from Baldwin Wallace college where he won twelve varsity letters and positions on the All-Ohio football and basketball teams. Before coming to Shore he was head football coach at Shadyside High School for seven years.

NOV. 6 SHORE WHIPS ORANGE 39-7!

JOHN KNIFIC—Here is a real ideal for young Shorites to look up to and to try to imitate. Coming out for football for the first time as a senior, John was determined to play on this Shore team. After the second game it became evident that here was one of the greatest of Shore ends in the making. His ability and hard work at practice not only won him a varsity berth and letter but made him a unanimous choice for the All Eastern Greater Cleveland Conference team, an honor no first year man from Shore had ever won before. He'll sure be missed next year, and it's too bad Uncle Sam will keep him from going on to even greater football heights.

SHORE 12 ASHTABULA HARBOR 7

The beginning of the Glorious year.

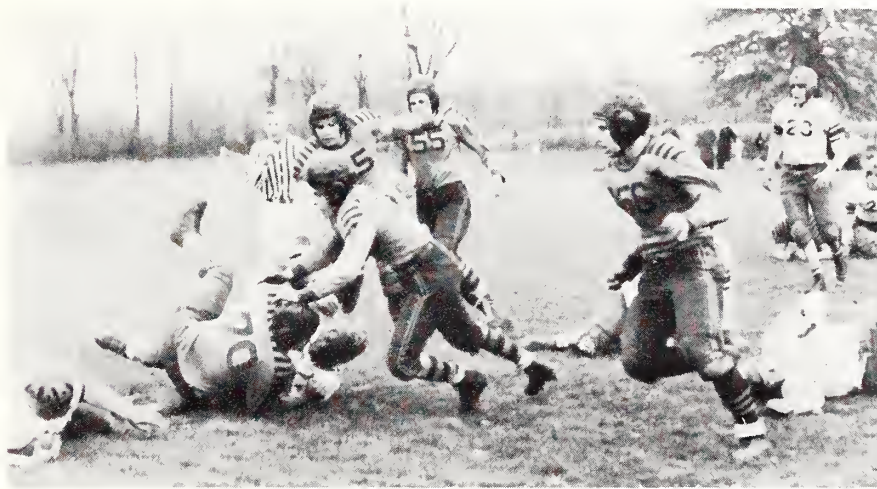

HARRY KNAUS—Over two hundred pounds of muscle and with surprising speed for such a big fellow, Harry is one of the reasons for Shore's fine offense which ripped opposing lines asunder. Many a long gain by a back had a vicious block by Harry to give it a start. In the Central game he seemed to be moving one whole side of the Central line each time he put his shoulder to it. Had he realized his pass-catching ability before the last game, where he really sparkled as a receiver and open field runner, Shore's point total would have been doubled.

NOV. 11 REPORT CARDS !

HENRY WALTERS—Three years as regular tackle means that Henry has had quite a football career at Shore. His size made it impossible to move him and his love of the game made him punctual at practice and a good team member. We are glad he had a chance to play on such a fine team and hope this year's record and squad will always be a happy memory of his days at Shore. If it were not for the war he would be timber for a fine college team and would be picked up in a hurry. His pants as well as shoes will be hard to fill next year and it is our hope that some underclassman will try to fill them successfully.

SHORE 19 GARFIELD 7

Come on Shore! The second step.

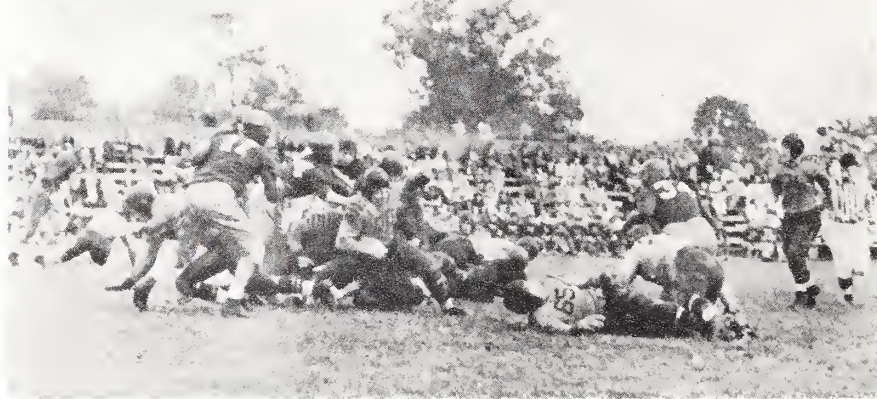

EDWARD REPASKY—After three years of just playing Ed found himself and earned a starting berth on a great team. What he lacked in weight he more than made up for with his fight and determination to succeed. We hate to see Ed go but wish him luck in his next venture where good fighters with courage and desire to win are needed.

NOV. 18 GAS RATIONING BEGUN

NEAL NELSON—As the boy's choice as leader and captain, he proved his worthiness by exacting the best at all times, and giving even more than he asked others to give. Shore has had some great backfield men but none have been better than Neal. His name will long be remembered in the E. G. C. C. as one of the all-time greats. He was a unanimous choice for All-League fullback and considered by many to be the outstanding player of Greater-Cleveland scholastic football. No words can say enough for the piece of work he performed by molding just a squad into a loyal group of champions. We hope he can play some more football before answering his country's call and know that wherever he goes the name of Shore will go with him and someone will get a really great football player. He leaves a place that will be hard to fill and an example for all Shore athletes to shoot at and copy.

SHORE 20 MAPLE HEIGHTS 7
Now we're rolling. This looks like it.

WARREN JEVNIKAR—The miracle of 1942 was the change from a mediocre tackle to a center of Big Ten proportions and caliber as was produced in Red. His leadership, line-backing, and never-erring passes played a big factor in every victory. This great success was achieved the hard way through practice, hard work, and determination to be a member of a winner before graduation. He has been well rewarded and his leadership will be sadly missed next year. Good luck Red and we hope you get to play some more football before Uncle Sam needs you. Boys, here's an opening for 1943, who can fill it?

NOV. 20 "NIGHT OF JANUARY 16"

FRED MEDVED—This little signal caller of a great backfield worked more and worried more over proper plays to call and ways of fooling a defense than anyone except Fritz and his coach will ever know. We're sure he was repaid by the fine offensive record his work produced. As one of four fine backfield men Fritz took a second seat to none and his specialties were the best. Many a punter had a hurt look on his face as he saw Fritz return a fine punt almost to the line of scrimmage. He is now serving his country and we're sure he'll do as good for Uncle Sam as he did for Shore. Quarterbacks like this are not found easily nor can many be made.

SHORE 13 BRUSH 6

Over the hump! The Arc-Lights are dim.

JACK ADAMS—For three years just a player on the squad, and then with an injury to Bill Grossman, Jack stepped into a guard position and through sheer guts filled the job 100%. No Shore player ever took his job more seriously and no Shore player ever had more fun than Jack. Had he been on any team except ours he would have been All-Conference and the star lineman, but here he was over-shadowed by several really great football players. We wish him great success and we'll sure miss his fight, smile, and hard tackles.

NOV. 25 THANKSGIVING VACATION

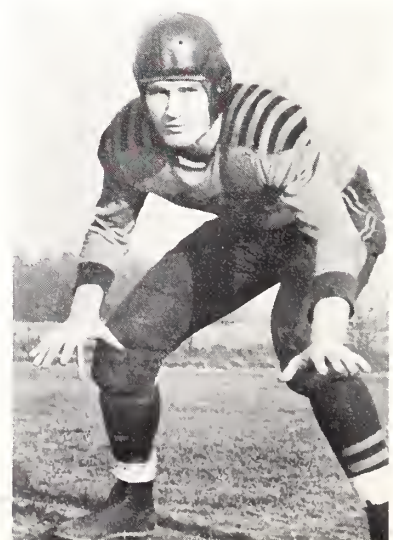

FRANK BERGOCH—One of the best all-around athletes of Shore history turned in a great performance as a ball carrier for this year's champions. Bing could always be depended upon to be in perfect physical condition, to do his best, and to encourage his teammates to do their best. His choice by the coaches as an All-League halfback was no fluke, but rather the result of Bing's plans working to a climax in his senior year of athletics. His brilliant runs will long be remembered and many younger Shorites will try to equal them. His leadership will be greatly missed next year and we're sure that he is now leading his group of soldiers through personality and ability as he did Shore teams.

SHORE 39 ORANGE 7

Our Champs! And this is the Glorious year!

ANDREW ZIEGLER—Another tackle any team in Cleveland would be glad to see returning. Andy's fight and aggressiveness made him feared by all opponents. Garfield Heights especially will be sorry to hear of his return. Another All League choice of next year and a great leader in the making for another fine team. Good luck next year Andy; we're counting on you to keep the spirit of 1942 alive for another year at Shore.

DEC.4 SHORE OPENS CAGE SEASON

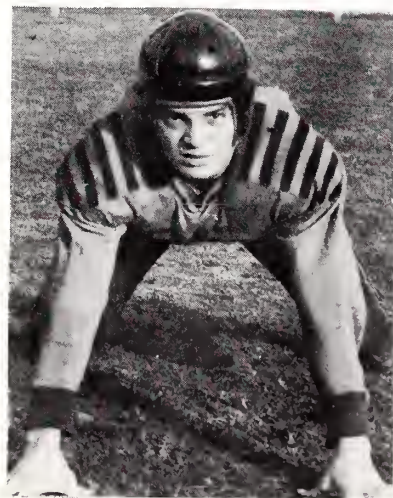

TOM MILLER—Always the same dependable end. It's a great thing to have such a player on a team and Tom is such a coach's player. His hard work, fine defensive play, and love of the game will be with us next year and unless we miss our guess he will be one of the stars of another championship team. Good luck in your last campaign, Tom, and we hope you will be able to keep the spirit of the 1942 squad alive and winning.

SHORE 20 BEDFORD 0
Reaching for the sky! And it's a blue sky!

FRANK SPINO—One of four great tacklers and probably the most aggressive. His love of football made him a real threat to any team who tried to gain through his side of the line. His fight and spirit are back next year and if he can pass it on to the squad we all have hopes of another great team. He should be another Shore Great and his prospects for a great season with lots of recognition are bright. We prophesy that here is an All Eastern Greater Cleveland Conference player of 1943.

DEC.4 SHORE TROUNCES KIRTLAND

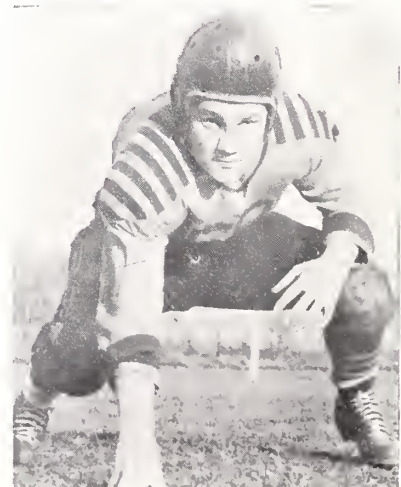

RAY GIESSE—The answer to a football coach's prayer would be a good description of this fine back. Always on time, always dependable, never had a bad day and always ready and willing to listen and learn. In his quiet way he played a great part in this championship season. Although he was overshadowed by several flashy runners, he more than once showed himself their equal when they were bottled up. Ray is one of the best defensive backs to play for Shore; being a deadly tackler and quick to diagnose the enemy's plays Shore's loss will be Uncle Sam's gain again.

SHORE 20 CENTRAL
They dance well at Central.

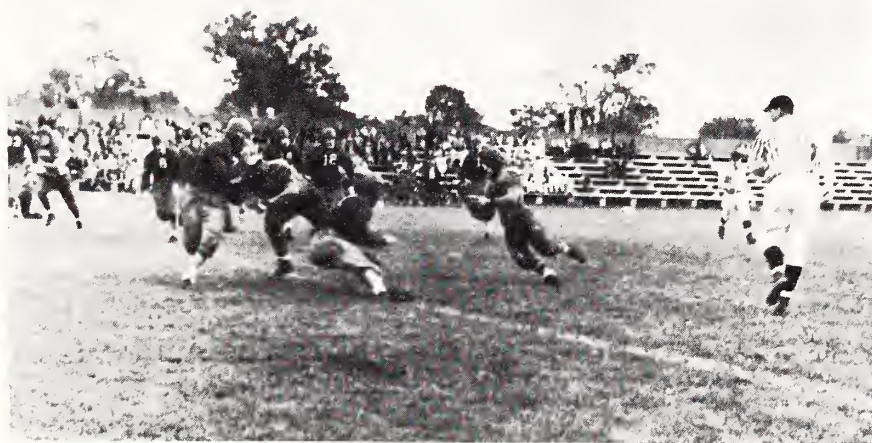

JOHN KLEIN—His quiet manner is just a sham for a love of contact and a hard, rough player. Overshadowed by three exceptional guards, John proved himself their equal, and no matter which he replaced, that spot was never weakened. Like several others he would have been the star on many teams, but we know John would not have been satisfied on any team but a Shore team and especially a Shore team like the 1942 one. We'll miss him and his plugging determination to play; no matter what or where but just that desire to play and win.

DEC. 7 WORLD WAR II ENTERS 2nd. YEAR

MERLE DONOHOE—Mike, like John Knific, waited until his senior year to try out for the team, and although discouraged by the coaches because of his early graduation, he fought himself to a varsity letter. He was ever willing to learn and never needed to learn the same lesson twice. As a back he had very little ability compared to our other backs but through sheer determination he became the No. 1 replacement. On several instances he filled in as a substitute in such exceptional style that he was left in. Like our other mid-year boys he is serving Uncle Sam and we're glad to put our country's safety in the hands of boys of his caliber of courage and desire to win.

SHORE 26 MAYFIELD HEIGHTS 7
The champs have fallen. Long live the champs.

ALBERT FISCHER—The most experienced player on the team and probably the most polished lineman Shore has ever had. His fine leadership and desire to win was ever evident and we can say that he is one of the big reasons for many victories. The first to practice; the last to leave; never letting up and always trying to improve. This brought him the unanimous vote of the coaches of the E. G. C. C. League as the outstanding lineman of 1942. If he puts the same spirit into Uncle Sam's Navy that he put into the Shore line we feel sorry for Mr. Tojo.

BASKETBALL

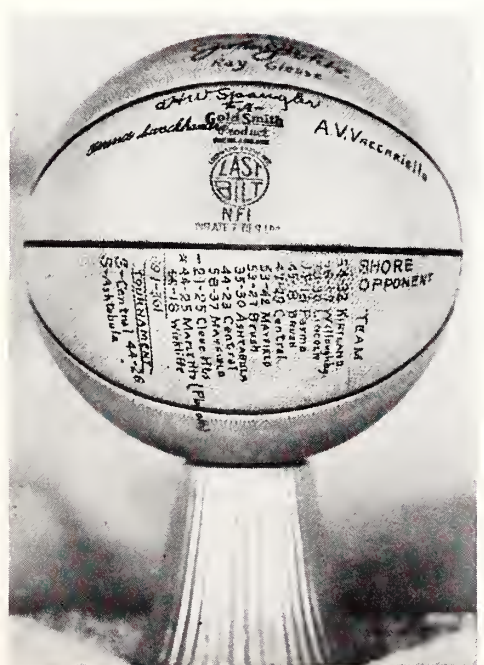

Great basketball teams are becoming a tradition at Shore, but this year's team surpassed the fondest expectations of its most optimistic follower. In winning their third consecutive conference title, the Admirals showed clearly their superiority by beating every conference team by at least ten points. With Frank Bergoch, Neal Nelson, Don Sherman, Tom Miller, Warren Jevnikar, and Tom Burns as a nucleus, this year's team was built, Mr. Case bringing up Bill Criswell, John Tarantino, Gordon Netschke, and Frank Spino to comprise the rest of the varsity.

Coasting easily over their first two opponents, Kirtland and Willoughby, the Shore cagers hit their season's high in trouncing Lincoln to the tune of 70-30. After defeating Parma, the Admirals opened defense of their conference title at Brush. Holding the Arc-lights scoreless during the first twenty-two minutes of the game, the hoopsters were victorious by a score of 45-8. Euclid Central's basketball team proved no match for the sharpshooting of Shore's high-riding quintet; however a dangerous Mayfield five made the boys work to gain a hard earned 53-42 victory.

At mid-year the team lost the services of Tarantino, Bergoch, and Jevnikar through graduation. Bob Wilcox, Andy Zeigler, and Bob Hawley were then brought up from the Reserve team to fill these vacancies on the varsity. With these changes Shore walloped Brush for the second time and then journeyed to Ashtabula to edge out the previously undefeated Ashtabula team 35-30. Resuming play in the conference, the cagers took up where they left off by easily defeating Euclid Central and Mayfield. Cleveland Heights then knocked Shore from the ranks of the undefeated by conquering the home team in a hard-fought, closely-contested battle 25-21.

Smarting from their first defeat, Shore walloped Wickliffe in preparing for the championship game. Maple Heights, southern division champions, then came to Shore to decide the conference championship. Striving desperately to dethrone the champions, the Mustangs battled furiously. However, they soon found that they had met their match and Shore walked off the floor still champions.

RESERVES

"As the Reserves go, so go the Varsity," is a saying which this year proved to be only too true. The Second team won the conference championship and lost but one game (to Cleveland Heights) during the entire year. The Varsity also lost their only game of the regular season to the "Tigers".

The Reserve team consists largely of Sophomores and Juniors who in following years will take their places on the Varsity. The experience and practice which they are now receiving will enable them to carry on the fine record made by the Shore teams of the past.

GIRLS' LEADERS · CLUB

Every fall a limited number of girls are elected for membership in the Girls' Leaders Club. The girls are initiated and have always taken it as good sports. This is a good example of the good sportsmanship displayed by the girls of the club. These girls are leaders. At their meetings the girls learn to referee various games. They aid Miss Gill in managing gym classes and sponsoring tournaments throughout the school year.

This year the Leaders Club continued the project of selling War Stamps and Bonds. At Christmas time the club sponsored a drive and sold about \$6,500 worth of Bonds in two weeks. The girls have appreciated this chance to help their country.

The G. A. C. is one of the oldest clubs at Shore and was established as a means for girls to earn athletic letters.

The girls earn points by playing in tournaments, receiving an "A" in Physical Education, going horseback riding, hiking, or several other ways. The girls have a lot of fun, and it is quite an honor to receive a G. A. C. letter.

HOCKEY

Opening the scholastic hockey season by tying St. Ignatius, the defending champions, the Admirals threatened to set a new record of the league by tying both Benedictine and Holy Name. With three consecutive ties behind them, the Shore sextet finally found the range and easily disposed of John Adams 4-1. East Tech's league-leading squad handed Shore its first setback with a thrilling 2-1 victory. After edging out Cathedral Latin 2-1, the fast-skating Admirals ended the season by swamping East High 8-0.

TRACK 1942

The 1942 squad won only two meets while losing four and tying one. However this year's team boasts eleven returning lettermen: Burns, Telich, Gara, Kraince, Knaus, Walters, Wiskes, Hommel, Wise, Kollar, and Netschke. Led by Tom Burns, all-conference miler, the boys must be considered as dangerous contenders for the conference title.

BASEBALL 1942

Led by Capt. Frank Bergoch, the 1942 Shore Admirals won nine games while losing only to Bedford and Euclid Central. This fine record was due to long hours of practice and the attitude of the players which was "Play hard, but play to win". The team, however, was hit hard by graduation and only three lettermen returned to bolster this year's line-up. There is some fine material for this year's squad though, and this fact together with the Shore winning spirit is sure to produce a winning combination.

JUNE 10 COMMENCEMENT

PREPARED TO SERVE ANY BUSINESS ANY ORGANIZATION

Today, the watchword in business as well as government is preparedness . . . to be so equipped in methods, machines, and man power as to meet every emergency that may arise.

Just as a business should prepare to carry on successfully under changing world conditions, so graduates should continue their training. They should strive to gain knowledge by continued study and practical experience in office procedures.

A working knowledge of ADDRESSOGRAPH-MULTIGRAPH methods that bring better and more economical results from work necessary in every office, is a distinct advantage to young men and women just starting their business careers. It helps them obtain employment more easily because of the increased value of their services.
